## Our plan moving forward:

- ~~Info session (students)~~
- Info session (parents) Thurs. Nov 25
- Establish timelines for club (per. 6)
- Commitment is key
- Family involvement (hopefully)

FIRST TEAM 2386  
THE BURLINGTON CENTRAL TROJANS

# The parents role

- *Food* - lots of it.

In order to make the most efficient use of our build time we begin at 2:30 and go until 8:00ish and students don't work well on empty stomachs

A meal calendar has been created and is available for you to sign up on our website [bchrobotics.com](http://bchrobotics.com)

If possible we ask veteran parents to pair up with new parents

We ask that a vegetarian option be available as well.

A serving plan will be sent out

FIRST TEAM 2386  
THE BURLINGTON CENTRAL TROJANS

## Event tournaments

Regional tournaments are held on weekends around the province and range in dates from the beginning of March until mid April.

Traditionally we also select a tournament out of province (usually USA) but due to the current situation our choices at this time are very limited. If that changes updates will be provided.
